# İÇİNDEKİLER

# ÖNSÖZ

Onlar bizim eşlerimiz... Annelerimiz… Kız kardeşlerimiz... Arkadaşlarımız... Modern toplumda bir kadın kimliği ile yaşamak zaten zor bir kaderken, bizim gibi farklı kültürlerin bir arada yaşamak zorunda olduğu, bir birleri ile çarpıştığı, çatıştığı, bazen de uzlaştığı toplumlarda kadın olmak sanırım çok çok zor... Evde yetenekli ve çalışkan bir hizmetçi olmalılar(!)… Aynı zaman da kocalarının her isteğini yerine getiren iyi bir eş… Erkeklerin egemen olduğu iş yerinde de her türlü liyakatini ispat etmek durumunda olan bir çalışan… Toplumca mükemmelliğe zorluyoruz onları. Her şeyin en mükemmeli olmalılar… Oysaki hayatlarını zindana çevirdiğimizi bile fark edemiyoruz. Hep merak etmişimdir annem neden erken yaşlandı diye… Bu çalışma ile elimizden geldiğince Batı Karadeniz Bölgesindeki çalışan kadınlarda bunların cevabını aramaya çalıştık… Ancak daha çok yol kat etmemiz gerek…

Çalışan, annelik yapan ve de iyi bir eş olmaya çabalayan tüm kadınlarımıza selam olsun…

İstanbul, Sinop
