Dear Friends and Colleagues,

It is a great honor and pleasure for me to invite you to one of the biggest academic and social events in our field. Voicelstanbul is an international conference in all aspects of voice which will be held in Istanbul, Turkey between 10th and 12th of April, 2025.

Voicelstanbul is organized by the Voice, Speech and Swallowing Society in cooperation with the Professional Voice Society, the Association of Speech and Language Therapists in Turkey. The Union of European Phoniaticians is the invited society for Voicelstanbul 2025. As an active member and national coordinator of the UEP and the president of Voicelstanbul2025, I want to invite you all to actively participate in our meeting.

It is a multi-disciplinary meeting designed for present and future voice professionals: otolaryngologists, speech and language therapists, phoniaticians, singing teachers and vocal coaches, singers, performing artists and voice scientists. Our aim is to bring these different specialities together to share knowledge and expertise in all aspects of the voice and to improve interdisciplinary collaboration. Panels, workshops, conferences, case discussion sessions, free papers, and posters will be presented to instruct and inform the scientific and artistic communities about advances in voice science, care and training.

On behalf of the Voice, Speech and Swallowing Society and the supporting societies, we will be pleased to see you among us at Voicelstanbul 2025. We warmly welcome you to beautiful Istanbul in April 2025.

Kindest regards,

President of the Congress
Prof. Dr. Sevtap Akbulut
