## ÖNSÖZ

---

Küresel gündemin en önemli konularından biri olan sürdürülebilirlik ve sürdürülebilir kalkınma, gerek insanlığın var olan ihtiyaçlarını karşılamak ve yaşam niteliğini arttırmak, gerekse de gelecek nesillerin gereksinimlerini karşılayabilmek adına oldukça önemli ve üzerinde durulması gereken hususlardan biri haline gelmiştir. Buna paralel olarak sporun doğaya etkileri, sürdürülebilir tüketim ve sürdürülebilir kalkınma gibi kavramlar spor yönetimi ve spor pazarlaması alanında da önemli ve araştırılmaya değer konular olarak ortaya çıkmaktadır. Ünlü yönetim bilimci Peter Drucker var olan durumların bilinmesi ve yönetilmesine yönelik “ölçemediğiniz hiçbir şeyi kontrol edemez, kontrol edemediğiniz hiçbir şeyi yönetemezsiniz” ifadelerini kullanmaktadır. Bu noktada, bu çalışma dünyadaki en önemli endüstrilerden biri olan spor endüstrisi içerisinde gerçekleşen sporda tüketim davranışlarının gerek ölçülmesi gerekse de yönetilebilmesi adına önemli olduğu düşüncesinden hareketle gerçekleştirilmiştir.

Bu çalışmanın ortaya çıkmasından neticelenmesine kadar tüm süreçlerde değerli bilgi, görüş ve tecrübelerini esirgemeyen, sadece tez çalışması ile sınırlı kalmayıp akademik gelişim ve ilerlememe her daim olumlu katkıları ile bana yönen, iyi bir insan ve iyi bir akademisyenin nasıl olacağını her fırsatta bana gösteren ve tez izleme jürimde bulunarak çalışmama nitelik kazandıran değerli hocalarım Prof. Dr. Alper Çabuk'a ve Doç. Dr. Velittin BALCI'ya en içten teşekkürlerimi sunarım.

Aynı doğrultuda gerek yaşantım gerek tez çalışmam gerekse de akademik hayatım boyunca desteğini bir an bile esirgemeyen, gece-gündüz demeden her koşulda yanımda olan, beni yönlendiren, bana fırsat veren ve bana güvenen, bir danışmandan çok daha fazlası olarak nitelendirebileceğim tez danışmanım Doç. Dr. Hakan KATIRCI'ya tüm bu uzun ve zorlu süreçlerde her daim yanımda olduğu ve desteğini hiçbir zaman esirmediği için teşekkür ederim.

İyi günde, kötü günde her anlamda ve her koşulda yanımda olan, bana destek veren, beni motive eden çalışma arkadaşlarım, dostlarım Arş. Gör. Volkan Aydoğdu ve Arş. Gör. Ümit Can BÜYÜKAKGÜLe tüm katkıları ve destekleri için teşekkür ederim.

Tüm iyi niyetiyle, her konuda elinden geleni yapan, yardımını esirgemeyen bir abla, bir dost gibi desteğini hissettiğim Figen ŞENER HEPER'e katkıları için teşekkür ederim.

Dünümde, bugünümde, bu günlere gelmemde en büyük pay sahibi olan, emeklerinin karşılığını hiçbir zaman ödeyemeyeceğim annem Gönül TÜRKBAL YÜCE'ye, babam Tuğrul YÜCE'ye ve ağabeyim Murat YÜCE'ye bugüne kadarki fedakârlıkları ve maddi-manevi desteklerinden dolayı teşekkür ederim.

Yer, zaman ve mekândan bağımsız olarak her daim varlığı ile yanımda olan, destekleyen, sabreden, beraber ağlayan, beraber gülen, yol arkadaşım, eşim Sevda GÖKCE YÜCE'ye gönülden sonsuz teşekkür ederim.

Tüm bunlara ek olarak doktora eğitimim boyunca "2211-A Genel Yurt İçi Doktora Burs Programı" kapsamında çalışmalarımı destekleyen Türkiye Bilimsel ve Teknolojik Araştırma Kurumu (TÜBİTAK)'a teşekkür ederim.
