

Nörobilim ve Tıbbi Sosyal Hizmet Beyin Temelli Bir Uygulamaya Doğru

Bölüm 13

Doç. Dr. Melike TEKİNDAL

İzmir Katip Çelebi Üniversitesi Sağlık Bilimleri Fakültesi Sosyal Hizmet Bölümü
meliketuntekindal@gmail.com

Doç. Dr. Seda ATTEPE ÖZDEN

Başkent Üniversitesi Sağlık Bilimleri Fakültesi Sosyal Hizmet Bölümü
sedaattepe@gmail.com

Bu Ünite de Neler Öğreneceksiniz?

- ◆ Sosyal hizmette nörobilimin yeri ve önemi
- ◆ Sosyal hizmette nörobilimden yararlanılan alanlar
- ◆ MAXQDA ile twitter sinirbilim taraması

Hedefler

- ◆ Okuyucularda sosyal hizmet bilimi ve mesleği kapsamında nasıl yararlanacağı konusunda farkındalık yaratmak
- ◆ Sinirbilim ve sosyal hizmetin birlikte kullanımının önemini açıklamak
- ◆ Sosyal hizmetin farklı uygulama gruplarıyla sinirbilim uygulamalarının kullanımını açıklamak
- ◆ Bilgisayar programı (MAXQDA) aracılığı ile büyük veriden (Twitter) bir konuyu (sinirbilim) tarayabilmek

ALİŞTIRMALAR

1. Sosyal hizmet bilim ve mesleği için nörobilim neden önemlidir?
2. Sosyal hizmetin müracaatçı gruplarından hangilerinde nörobilim daha önem kazanır?
3. MAXQDA programını kullanılarak Türkçe Tweetlerde yer alan “nörobilim” taramasını kitap içindeki adımlara göre uygulayınız.
