Preface

Pregnancy has been accepted as the place between miracle and curse in the ancient ages. However, science brought out the real point of view to the pregnancy. For thousands of years, it is known as a physiological situation. Maybe we can name it the miracle of physiology. Nevertheless, non-physiological cases may also occur during pregnancy. It is not only important for the fetus but also important for the mother's health. Some problems can be solved easily or spontaneously however some may be life-threatening. Additionally, a problem during pregnancy affects two lives simultaneously. As it is obviously seen in the chapters that almost all systems have interactions with pregnancy. In this scientific book, we wanted to evaluate and discuss almost all systems' interactions. All authors are specialists and experts in their fields and all the data in the book are a combination of their experience and the revision of the literature. We, the editors, thank all of the authors for this valuable fundamental scientific knowledge. We also thank all our families, our masters of our professions, and dedicate this exertion to the next generations.

The Editors.

Prof. Dr. M. Ahmet TUNÇKIRAN

Dr. Suzan BAHADIR

Contents

Chapter 1	Maternal Physiology During Pregnancy	1
	<i>S. Yeliz HISIM UZUN</i>	
Chapter 2	Imaging of Non-Fetal Emergencies During Pregnancy and Postpartum Period	17
	<i>Suzan BAHADIR</i>	
Chapter 3	Principle of Exercises in Pregnancy.....	33
	<i>Özlem KÜÇÜLMEZ</i>	
Chapter 4	Common Urological Problems in Pregnancy	55
	<i>Tümay İPEKÇİ</i>	
Chapter 5	Hypertensive Disorders in Pregnancy	71
	<i>Sinan AKINCI</i>	
Chapter 6	Arrhythmias and Pregnancy.....	87
	<i>Ali ÇONER</i>	
Chapter 7	Valvular Heart Disease in Pregnancy.....	97
	<i>Ertan AKBAY</i>	
Chapter 8	Common Peripheral Vascular Pathologies in Pregnancy	115
	<i>Ali Baran BUDAK</i>	
Chapter 9	Common Pulmonary Diseases During Pregnancy	151
	<i>Ebru KABACAOĞLU</i>	
Chapter 10	Otorhinolaryngological Conditions and Their Current Treatment Options During Pregnancy	175
	<i>Kübra ÇOBAN</i>	
Chapter 11	Pregnancy and Subarachnoid Hemorrhage	197
	<i>Odhan YÜKSEL</i>	
Chapter 12	Pregnancy and Lactation Associated Osteoporosis.....	205
	<i>Mehmet Barış SARGIN</i>
